Dear Exr. Chin,

I attempted calling the last phone # under which you are listed 703/305-1524 and was told that number is no longer in service.

I was checking on the status of this application since I've heard nothing since the faxed amendment of 8/24/04, except for a request for an exhibit that was said to be missing. That was faxed on 12/6/04, ten months ago.

I've become concerned that maybe an office action or Notice of Allowance had been mailed but did not reach me. Please advise, since the client has also become concerned about the length of the delay.

William Weigl
